

Ramona Herndon

Job Title: Field Service Supervisor, CHFS/DCBS

Agency (Cabinet/Department): Cabinet for Health and Family Services/
Department for Community Based Services

Education: Bachelor's Degree Justice Administration, University of Louisville,
Associate of Arts, University of Florida.

Work Experience: Over 23 years working for the Cabinet for Health and Family Services for the state of Kentucky. 3 years employed with the Department of Human Resources in the state of Florida.

Why I am a candidate for the Personnel Board: I believe that I offer State employees coming before the board, fair and unbiased decisions concerning the many issues that are presented at the Personnel Board meetings. I have remained committed to team work and will continue to do so through collaborative work with my board colleagues by providing fair resolve on each case, for all state employees. Since given the privilege over the last year and a half representing state employees on the board, I have had the honor of representing state employees, by making decisions together that were backed with over 25 years of public service. I am an advocate and supporter of state employees. If I am given the honor to serve on the board again, I promise to uphold the same trust and integrity expected and continue provide excellent service for the great people employed by the state of Kentucky.
